## ABOUT ME / SUMMARY

---

- A brief, compelling paragraph (3-5 sentences) summarizing your career aspirations, key technical interests, and what you aim to achieve in the technology field. (To be drafted by Adarsh Singh)

## EDUCATION

---

- Bachelor of Technology (B.Tech) | 2023 - 2027 | Allenhouse Institute of Technology
- 12th Grade (Intermediate) | 2022 | Rk Education Center
- 10th Grade (Matriculation) | 2020 | Rk Education Center

## SKILLS

---

- **Programming Languages:** [e.g., Python (Intermediate), C++ (Beginner), Java (Learning)]
- **Web Technologies:** [e.g., HTML, CSS, JavaScript]
- **Frameworks/Libraries:** [e.g., Django, Flask, React]
- **Databases:** [e.g., SQL, MySQL, PostgreSQL]
- **Tools & Technologies:** [e.g., Git, Docker, VS Code, Linux]
- **Other:** [e.g., Data Structures & Algorithms, Problem Solving]

## PROJECTS

---

- **Screen Analyser**
- **Description:** [Clearly describe the problem the project solves, its main features, and the objective.]
- **Technologies Used:** [List specific technologies, frameworks, and libraries.]

- \* \*\*My Contribution:\*\* [Detail your specific role, responsibilities, and what you personally built or improved.]
- \* \*\*Outcomes/Impact:\*\* [Quantify any results or learnings. e.g., 'improved data extraction efficiency by X%.']
- \* \*\*GitHub Link:\*\* [Full URL to project repository]
- \* \*\*Live Demo (Optional):\*\* [Full URL to live application/video demo]
- 
- \*\*YouTube Automated Pipeline\*\*
- \* \*\*Description:\*\* [Clearly describe the problem the project solves, its main features, and the objective.]
- \* \*\*Technologies Used:\*\* [List specific technologies, frameworks, and libraries.]
- \* \*\*My Contribution:\*\* [Detail your specific role, responsibilities, and what you personally built or improved.]
- \* \*\*Outcomes/Impact:\*\* [Quantify any results or learnings. e.g., 'automated X number of tasks'.]
- \* \*\*GitHub Link:\*\* [Full URL to project repository]
- \* \*\*Live Demo (Optional):\*\* [Full URL to live application/video demo]

## ACHIEVEMENTS & AWARDS

---

- [List any academic honors (e.g., Dean's List, scholarships), competition wins (e.g., hackathons, coding challenges), certifications (e.g., Coursera, Udemy), or notable participation here. Be specific with dates and details.]

## WORK EXPERIENCE

---

- [Currently listed as 'None'. If Adarsh gains any internships, volunteer tech roles, or significant freelance projects, this section should include: Role, Organization, Dates, and 3-5 bullet points describing responsibilities and key achievements/impacts.]
